Any other comments/ suggestions/ observations by the Inspection Committee (attaché separate sheet, if required)

The college has a well-built physical infrastructure for the students with big class-rooms, established library, equipped computer laboratories, fully maintained lawns etc.

As per the ^{action} report of the last inspection committee, the college has organized Seminar & Workshop; However the frequency of the expert lectures can be increased. During the inspection, it was observed that classes were going on smoothly but after going through the library register, it was found out that hardly few students have availed the facility of the library. So it would be appropriate if the college teachers counsel the students, organize certain workshops that can inculcate reading habits in the students. The other issue that has remained unaddressed is Endowment Fund.

The Inspection Committee RECOMMENDS/NOT RECOMMENDS the extension/ renewal of temporary affiliation to 2020-2021 2019-20 Months name of the college/institute
